

Remarks:

This amendment is submitted in an earnest effort to advance this case to issue without delay.

The new rejection on the previously uncited reference, German 298 13 340 is not understood. This reference does not show doors having angled upper extensions, nor does it have the insulated doors defined in main claim 19.

Thus all the claims in the case are in condition for allowance.

Respectfully submitted,  
The Firm of Karl F. Ross P.C.
